All Members of ABREA

Dear friends

**Reg: ABREA Virtual Meetings – Minutes**

\*\*\*

Friends, you are aware that ABREA has been in forefront in conducting regular monthly meetings of e-andhrabank Retirees at all centres with an aim to share the information/developments regarding retirees' issues and interact with the members for valuable feedback.

In view of ongoing pandemic covid environment, we could not conduct physical meetings since March 2020. Further, merger of banks took place in the year 2020 which impacted the normal operations of bank branches and majority of customers including retired staff are being faced hardships due to technical and operational issues. Thus, the retirees are eager to know the latest updates on the subject matter. In order to bridge the information gaps, ABREA has been focusing attention on social media platform to disseminate retiree/bank related information through 25 Whatsapp / Telegram groups on daily basis and presently more than 3000 members spread across the country have covered in these groups.

In the above backdrop, ABREA initiated steps to have **Greet & Meet** program with members through virtual meetings as restoration of normalcy may take some more time for conduct of physical meetings. The purpose of the virtual meetings held was to apprise the members with the latest developments on Pension, Health Insurance, internal bank specific and other retiree related issues. So far we have conducted 14 virtual meetings and the details are furnished here below:

Shri A Rajendra Prasad, President ABREA presided over the virtual meetings and this was followed by address of Mr.NSN Reddy, General Secretary ABREA. Members were given adequate time to clarify their doubts and also were invited suggestions for further improvements in the organisational functioning. The important points covered by the speakers and the deliberations at the meetings are summarised here under:

The meetings commenced with observing a minute's silence as tribute to the ABREA leaders, members and former employees who departed during the last one year. President in his inaugural address has explained the history of AIBRF & ABREA in detail and the role played by the organisations in resolving the issues pertaining to Bank Retirees in general and Andhra Bank Retirees in particular. He also informed the ongoing action plan of the organisation i.e. meeting the Members of Parliament and presenting memorandum with a request to impress the concerned authorities to expedite the important and long pending issues viz., improvements in family pension, Pension Revision and improvements in IBA Group Medical Scheme. As part of follow-up action plan of AIBRF, the representatives of ABREA & TBRF have met Shri G Raj Kiran Rai, IBA Chairman at Hyderabad on 14<sup>th</sup> January 2021 and submitted memorandum on the above subject. Shri Rai gave a patient hearing and responded positively.

In this context, President cautioned the members not to fall prey to the misleading messages by the splinter groups that are making rounds in social media as they do not have any representative character and stake in the issue. Thus, members were requested not to forward such messages and to consider the authenticated messages received from ABREA/AIBRF only. He expressed fond hope that with the constant persuasion of AIBRF, the things would move in right direction and appealed to members to have patience and confidence in leadership for achieving the desired goals in the ensuing days.

Mr.NSN Reddy, General Secretary ABREA has dealt the topic of evolution of Pension System in Banking Industry and the role of various stakeholders involved in the issue viz., Retiree Organisations, Banks, IBA, UFBU, Ministry of Finance/Government of India. All stakeholders are important and play a vital role in resolving the pension related issues of Bank Retirees, he said. Thus, he stated that it is the time for all of us to have patience and continuous liaison with all the stakeholders and not to antagonize any of them in the larger interests of Bank Retirees. While dealing the subject matter, he also elaborately covered the extant Pension Regulations vis-a-vis the present status of Pension Corpus Fund and its adequacy & viability and the envisaged challenges thereof in medium and long run perspective.

GS informed that the formation of co-ordination committee with UBI & e-Corporation bank retiree associations and the steps taken in implementation of best practices available among three banks. He reported that the committee is pursuing with the management for resolution of various bank related issues on an ongoing basis.

The General Secretary informed that the members that ABREA has launched a website (<https://abreahyd.org>) in the month of November 2020 with a purpose to share information on an ongoing basis. The other value added feature of the website is to provide online membership enrolments. With this new initiative, more than 500 members enrolled online and now we are moving to cross **7500 mark** membership by end of March 2021, he said. GS appealed to the members to strengthen the hands of ABREA/AIBRF with increased membership to enable the apex body to be part of the negotiating team as well as other committees associated with Bank Pensioners issues.

Mr.S.Krishna Kumar, DGS highlighted the salient features of IBA Group Medical Scheme and other associated issues such as generation of health card, network hospitals, claim procedure, modifications of health card details etc. He appealed to the members to avail cashless facility only since insurance companies are disallowing many items causing financial burden to the policy holder. Mr.Gopabandhu Mohapatro, DGS Odisha shared his thoughts/views on family pension and other related issues with participants of Hyderabad and other groups.

Mrs.Y L Prema Kumari, Women’s Wing in-charge suggested the idea of conducting an exclusive virtual meet for women retirees on 8<sup>th</sup> March 2021 to commemorate International Women’s Day celebrations. She welcomed the members and referred about the important role that women can play. It is heartening to note that 59 members participated from different parts of the country. Mrs.Y.Tripurambha, Vice-President ABREA spoke on the occasion recalling the services rendered by women in Bank as well as in Trade Union activities.
