Dear friends, Good Morning

ABREA Telegram Group - Observations

You are aware that ABREA started Telegram Group in the year 2020 with an objective to have interactive mode to the members to share the views pertaining to retirees' related issues. Further, it was envisaged that this forum will act as **guiding force** to the common members in resolving the operational issues with mutual co-operation and co-ordinated efforts.

We are thankful to the ADMINS and Resource Persons of the group for sparing their time and resources in guiding the members over the years and also providing inputs to the leadership from time to time. Based on the feedback from Members, Office Bearers and other forums, ABREA has been representing the issues and pursuing with the concerned officials for resolution. The process of persuasion is an ongoing activity and we are on the job.

Of late, it is observed that few members of the group are using the forum to post cynic messages and making negative comments again and again on the same point, vitiating the positive environment.

Friends, we understand the anxiety of the members and we wish to bring to your kind notice that we have been taking up the issues with the management and many of the issues are getting resolved. Please note that we are operating in a constrained environment compared to serving employees' associations / organisations. Further, the post merger scenario warrants co-ordinated efforts with other retiree organisations of the Bank also viz., UBI, e-andhra and e-corp bank retiree associations. It is the time to have patience and perseverance in dealing with management.

In the above backdrop, we earnestly request the members of the group to have a pragmatic view on retirees' issues and it is desirable to post positive/suggestive messages instead spreading hatred against the Bank/Staff. The need of the hour is to extend helping hand to our colleague members by providing authenticated information and required support/guidance in resolving ongoing operational issues. Let us move forward with Unison and **Positive Approach** to achieve the desired goals.

Stay Home & Stay Safe

Thanks and Regards,

NSN Reddy
General Secretary
