Dear Sir,

**Reg: AIBRF 6th Triennial Conference Resolutions —
Progress and Future Action Plan**

The Resolutions adopted at the 6th Triennial Conference of AIBRF, held from 25th to 27th February 2023 at Bengaluru, cover several important issues concerning bank retirees. The resolutions are on:

Pension Up-dation	Bank Retirees' Group Health Insurance Scheme	Staff Welfare Funds — 3% of Net Profit without a Cap
Special Allowance	Revised Gratuity Limits	Coordination of Retirees' Associations
Bank Pension Trust Boards	100% DA Neutralisation	Senior Citizen Issues
Commutation of Pension	Financial Aid to Bereaved Families	Opposing Government Moves to Privatisise PSBs
Minimum Pension	Apex level Grievance Redressal Mechanism	Ayushman Bharat

There has been considerable progress in some of these areas, which deserves to be highlighted in the General Secretary's Report. At the same time, members would appreciate a clear account of the progress made on the remaining issues, the difficulties encountered, and the future action plan.

We therefore request you to kindly include, in the forthcoming General Secretary's Report, the following:

- **Achievements:** Significant developments and improvements in respect of the resolutions.
- **Pending Issues:** The present status of matters that remain unresolved.
- **Future Action Plan:** The proposed course of action, including the role expected of affiliates, wherever necessary.

Such a comprehensive review will enable members to understand the progress made, appreciate the efforts of the Federation, and participate more effectively in the future course of action programmes.

We request you to kindly do the needful.

Thanks & Regards,

(N S N REDDY)
GENERAL SECRETARY
